DETAILED ACTION

This Office action is in response to Paper No. 9 dated April 28, 2003.

The amendment to claims 1, 6, 8, 12-17, 30, 33-36 and 44, the cancellation of claims 2-3, 9, 18-20, 31 and 37-39 and the addition of claims 48-55 in Paper No. 9 dated April 28, 2003 has been entered of record.

The pending claims of record are claims 1, 4-8, 10-17, 21-30, 32-36 and 40-55.

The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless –

(a) the invention was known or used by others in this country, or patented or described in a printed publication in this or a foreign country, before the invention thereof by the applicant for a patent.

Claims 1, 4-8, 10-17, 21-30, 32-36 and 40-55 are rejected under 35

U.S.C. 102(a) as being clearly anticipated by Martin et al (Martin) 6,238,554 B1, note Fig. 1, and column 3, lines 26-60 and column 4, lines 1-16; Fig. 2 and column 4, lines 17-37; Fig. 3, lines 13-32; Fig. 4, lines 64 to column 7, line 27; and Fig. 5 and line 28-58 and claims 1-19 and column 8, lines 1-10 wherein a fuel filter for filtering fuel and adapted to release a fuel additive into said fuel at a controlled rate having a fuel filter assembly comprising a chamber including an inlet and an outlet for fuel, a filter element disposed within said chamber and positioned between said inlet and outlet for fuel, a source of fuel additive disposed in said chamber, a semi-preamble membrane orifice positioned between said source of fuel additive and said fuel outlet, a cap including a plate for retaining the orifice in place; and wherein the container with the additive contacts a fuel for slow release of the additive anticipating the instant claims.

The prior art made of record in Paper No. 9 dated April 28, 2003 has been reviewed and considered.

The previous rejections under 35 U.S.C. 112, second paragraph, 102 and 103 are withdrawn in view of applicants' amendments, cancellation of some claims and arguments made of record.

Applicant's arguments with respect to claims 1, 4-8, 10-17, 21-30, 32-36 and 40-55 have been considered but are moot in view of the new ground(s) of rejection.
